

FEEDING YOUR DEMONS

A workshop presented by

JETTIE FABIOOLA

Psychotherapist, Meditation Teacher, MA

“One does not become enlightened by imagining figures of light but by making the darkness conscious.”

Carl Jung

A workshop presented by Jettie Fabioola, Psychotherapist, Meditation Teacher, MA. A student of Lama Tsultrim Allione and certified Feeding your Demons practitioner. Jettie will be guiding us to engage with and transform our personal demons eg. confusion, anger, illness, loss and longing.

Feeding your Demons is a meditation practice that helps us to transform our personal demons, not by avoiding them, but rather to turn toward them with compassion and curiosity.

Carl Jung emphasized the importance of the Shadow, our disowned qualities in the unconscious, and asserted: “Until you make the unconscious conscious, it will direct your life and you will call it fate”.

The practice is of great benefit in working with a wide variety of personal and relationship challenges including anxiety, depression, addiction, chronic pain, fear, anger. This way of working with our challenges is inspired by the ancient practice Chöd from the 11th century Tibetan teacher Machig Labdrön.
